### **Licensing information**

We operate as a Financial Advice Provider under a current licence issued by the Financial Markets Authority in the name of NZ Financial Services Group Limited (FSP286965)

There are no conditions attached to this licence on the advice that may be given.

### **Our advice and Product Providers**

We provide advice to our clients about life insurance, Health Insurance, Income Protection, , Trauma, Permanent Disablement, Mortgage repayment, disability Injury cover, business insurance, Redundancy Cover and Waiver of Premium/Cover.

### **Commission**

On settlement of a risk policy, we usually receive commission from the applicable product provider. The commission is of an upfront nature but may also include a renewal or trail commission.

This commission is used to remunerate the financial adviser that provides the advice, and to pay the expenses associated with running our business, including any rent, staff costs and IT resources. From this commission we also pay NZ Financial Services Group Limited for services they provide to us in connection with our authorization under their license from the Financial Markets Authority.

We take steps to ensure that the receipt of commissions does not influence the advice we give to you and that our advisers prioritize your interests by recommending the best product for your purpose regardless of the type and amount of commission we or they may receive.

We do this by:

- Ensuring our advisers follow an advice process that ensures they understand your needs and goals and that their recommendations on insurance cover meets those needs and goals.
- Ensuring our advisers receive regular training on how to manage conflicts of interest.
- Providing you with a schedule showing commission amounts and types by product provider. This schedule is contained within each Financial Adviser's personalised Disclosure Guide. A Financial Adviser will provide you with more information about commissions during the advice process.

## **Fees and Expenses**

Generally we don't charge you any fee for the advice and transactional solutions that we provide to you. This is possible because, on settlement of a risk insurance policy, we usually receive commission from the applicable product provider as described above. There are two exceptions to this general position which are explained below.

We may charge you a one-off fee in the following situations:

(a) No commission: If you request we provide services in relation to a product or service and we do not receive a commission. Any such fee would be agreed and authorized by you in

writing before we complete the services, and would be based on an estimate of the time spent providing the advice.

This may arise in the rare event that you request we provide Services in relation to either a product that is offered by a provider that we do not hold an accreditation with, or a product that is outside our usual arrangements with our product providers.

(b) Repayment of commission: If a product or service provider requires that we repay commission within 28 months of the issuance of your risk insurance policy. Any such fee would be no more than \$3,000 (plus GST) and would be calculated based on a rate of \$250 (plus GST) per hour of the financial adviser's time spent

providing services to you in connection with the applicable mortgage or insurance. The fee charged will not exceed the amount of commission clawed back from the lender.

Should we need to charge you a fee, you will be invoiced and will be given 30 days to make payment.

### **Conflicts of Interest**

If there are any conflicts of interest apart from a commission that might influence the advice that we give, these will be shown in your Financial Adviser's Disclosure Guide
